Writ of execution or sale. Your rights and duties are indicated on the accompanying Notice of Levy.

Writ of possession of personal property. If the levying officer is not able to take custody of the property, the levying officer will make a demand upon you for the property. If custody is not obtained following demand, the judgment may be enforced as a money judgment for the value of the property specified in the judgment or in a supplemental order.

Writ of possession of real property. If the premises are not vacated within five days after the date of service on an occupant or, if service is by posting, within five days after service on you, the levying officer will place the judgment creditor in possession of the property. Personal property remaining on the premises will be sold or otherwise disposed of in accordance with CCP 1174 unless you or the owner of the property pays the judgment creditor the reasonable cost of storage and takes possession of the personal property not later than 15 days after the time the judgment creditor takes possession of the premises.
